

IT'S PARTY TIME!

You can book your child's party at Nixons Farm - we have a party dining room with kitchen facilities. The children have the use of the outdoor play area and party room for a two hour party (please note that children must be supervised). There is half an hour before and after the party for setting up and tidying up.

Children love our rainbow tractor rides!

Please ring for details.

We produce our own pet mince in beef or chicken, and have a wide selection of raw meat to feed your dogs and cats, plus food and accessories for smaller pets. We also stock pet bedding (straw, hay and wood shavings) in handy bagged sizes. Your aquatic friends are not forgotten either as we stock fish food and accessories.

TEA ROOM AND PLAY AREA

Our tea room is now well established, offering a larger menu and greater comfort. Here you can enjoy a range of hot drinks with a selection of homemade cakes and snacks. If you don't have a sweet tooth, we also offer a wide variety of hot food - please go to the website www.nixonsfarmshop.co.uk to see our full menu.

We also have specials, check the boards as they change daily.

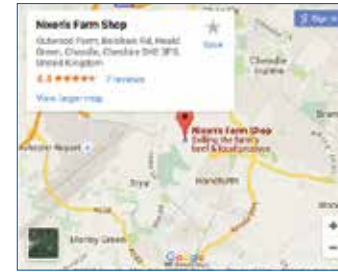

If you want to bring the little ones along you can now sit and enjoy your meal whilst watching them in our play area.

We also have a small gift shop for you to browse at your leisure.

HOW TO FIND US

Find us behind Bolshaw Primary School. Just off the B5358 (the old A34) turn left into Bolshaw Road and go to the end. Drive past the greenhouses and you'll see our farm on the right. **We have a car park with plenty of car parking space.**

ESTABLISHED 1930

The family Nixon has farmed at this farm since the early 1930's when William Nixon and his wife Mary first lived here. They had a milking herd and delivered milk to most of the neighbours, and also reared pigs. William Nixon then built a slaughter house and from that beginning started selling meat.

Gradually the shop was organised and the farms changed to the rearing of beef cattle. This family business now includes four generations. There are three grandchildren now running the business - Julie Egglestone and her husband Roger, Paul and Ian Nixon.

The Butchers Shop was first opened in 1970 selling beef, lamb and pork. Gradually we have extended the shop and the products while still trying to source locally. We have a good selection of traditional and modern cuts of meat for all those budding chefs.

The milk and cream are from a farm in Congleton. Cheshire farm ice cream, farm eggs from a farm at Disley, and a local farmer supplies the potatoes.

The pork pies are freshly made on Fridays by a local baker with our own pork.

Nixon's are also proud sponsors of Cheadle and Gatley Football Club and wish them all the very best in the coming season.
